

# 2020 REVIEW

## OUR TOP SCHOOL LOTTERIES OF 2020

2020 may not have been a year for celebration, but now we can see a light at the end of the tunnel, we're trumpeting the success of our best performing school lotteries. We've created the **YSL Annual Awards**, a brand new awards scheme to salute the schools and PTAs, of all sizes, whose lotteries were A\* achievers in 2020.

Tickets sales aren't the only measure of success though, so we're also recognising the efforts of schools to market their lottery, utilise social media, and fundraise in the face of adversity.

See below for the full list of winners, but whether you win an award or not, we salute **every** school in the Your School Lottery family!

## 2020 IN SUMMARY

In an amazing year for Your School Lottery, you helped us achieve:

1700	School lotteries
£1.17m	Prize money
65,493	Cash winners
9	Jackpot prizes

School funds raised:

**£1.25million!**

## IMPACT OF COVID 80% of schools

Reported that their lottery helped to keep funds coming in during the Covid lockdowns.

*"Although a few ticket sales dropped off through lockdown, it has been our **saving grace** for fundraising and it's only the first year!"*

LOTTERY

Awards sponsored by:

## PERFECT PARTNERS

In order to give schools as much help as possible with fundraising, 2020 saw us partnering with Parentkind to create **"The Big PTA Raffle"**. The raffle, which operated in the run up to Christmas, gave over 500 PTAs a festive funding boost of over £120k.

**Parentkind**

# FOUNDERS AWARDS

Your School Lottery was established in 2014 by parents who simply wanted to help their children's school with fundraising.

Since then our parent company, Gatherwell, has gone from strength to strength, and is now part of the Jumbo Interactive Group.

Ben Speare and Martin Woodhead, the founders of our company, are now moving on to pastures new, but we're paying tribute to their achievements by creating **The Speare Cup** and **The Woodhead Cup**.

These accolades will be awarded every year to the Top Performing School Lottery and Top Performing New School on Your School Lottery.

Congratulations to the 2020 winning schools who each win £250 towards school funds thanks to the support of our awards sponsors [London & Zurich](#).

## TOP NEW SCHOOL LOTTERY 2020

St Mary's & St Peter's CofE Primary School, Teddington

*"Our school is so excited to have won an award for being the Top Performing New Lottery of 2020! The £250 award will be really well received by the school ... especially after such a tricky time for fundraising.*

*We have raised approximately £3,300 for the school in the 7 months since we joined, and this money has made a real difference to our school. We have put this money towards buying new technology to support the new ways of learning since the Covid situation (headsets and webcams for video calls/online teaching and new laptops), art materials and games for indoor playtimes."*

## TOP PERFORMING SCHOOL LOTTERY

Sir Henry Floyd Grammar School, Aylesbury

*"We've been doing Your School Lottery for 3 years. Over that time we've raised over £19k.*

*We're absolutely delighted that we won this award and some extra money for our pot. As a Parents' Society we would normally run four fundraising events each year. However during the last 18 months we have run just one, virtually. So the lottery has kept us going, thank you! Our amazing climbing wall is fully funded from Your School Lottery. It will be used by students of all ages to develop their physical, mental and team working capabilities. So thank you for our award and for making it really easy to raise money for our school."*
